tional Champ (Father)**

MALE puppy #1:

He thinks he is rough and tough. He has a gentle side when you hold him in your lap. He loves to play with a tug rope.

MALE Puppy #2

This little boy is very smart. He can figure out things. He likes long walks and lots of attention. He has a mischievous side when you are not looking.

Male Puppy #3

This little guy likes to be held and will climb up your legs when you are sitting in a chair. He will sit with you for hours on end and take a little nap. He also loves to go outside and play with butterflies, and doggie toys.
